PROFESSIONAL SUMMARY

Scrum Master (SAFe 6.0 SSM, CSM) with 12+ years of Agile delivery experience across Scrum, SAFe 6.0, and Kanban, working with global brands including Verizon, Adidas, ABB, and Walmart. Recent European delivery experience in Germany, Switzerland, and the UK, complemented by earlier US-based engagements. Track record includes up to 95% release-plan adherence, a 70% reduction in manual testing effort, and consistent double-digit gains in sprint velocity. Solid understanding of the CI/CD pipeline (code, build, test, deploy, monitor), supporting impediment removal, DORA metrics tracking, and improved flow across Dev, QA, and Ops. Familiar with applying AI tools to Agile workflows — reporting automation, backlog grooming, sprint-risk insights. Master's in Supply Chain Management (Audencia Business School) — all exams passed, internship/contract remaining to complete the degree.
